

In April 2008 we will begin celebrating our 75th anniversary of library service as the Monroe County Library. We would like your help in making this event special. Please answer as many of the following questions as you can.

1. Tell us about getting your first library card.

2. What was your library like?

3. Tell us about a program or event you still remember.

4. Did you ever meet someone special at the library? (local personalities, authors, your spouse-to-be, etc.)

5. What was your favorite book as a kid?

6. What has been your favorite book as an adult?

7. What is the best thing the library has done in 75 years?

You do not have to be 75+ to participate in this project. We would like to use some of your comments in our promotional pieces during this time. Your signature will allow us to do this.
